take note that the Game and Parks Commission will be indeed reimbursed for 50 percent of these costs from the United States Coast Guard Recreational Boating Safety Program; and hats off to the Game and Parks Commission for pursuing these funds and cutting the costs of this needed bill in half. I would ask for the advancement of LB 176A.

SENATOR CUDABACK: Thank you, Senator Hilgert. There are no lights. Question before the body is, shall LB 176A be advanced to E & R Initial? All of those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 34 ayes, 0 nays, Mr. President, on the advancement of 176A.

SENATOR CUDABACK: LB 176A is advanced. Mr. Clerk, items for the record?

CLERK: Mr. President, two study resolutions, LR 109 and LR 110. Both will be referred to the board. That's all that I have at this time. (Legislative Journal pages 1923-1924.)

For evening sessions will be Wednesday and Thursday of next week, for those that are planning. I don't know what time we're going to quit. That seems to be the popular one. If we're making progress, we ought to work, if we're not, then the body ought to make that decision. But this has been a good week, you've all worked very hard. We've gotten a lot done this week, and I just want to tell you that I appreciate that. And I think that you have a well-deserved four-day weekend, I hope you all enjoy it. And
